

MOTORGEAR IS MOVING TO BW

The Motorgear range of Timing Belt Kits will be transitioning to BW over the coming months. BW offers the same high quality products, extensive range and availability.

BW is Australia's a leading supplier of automotive bearings and associated products and offers an unparalleled range of Timing Belt Kits as well as many more automotive products.

- BW is an established brand with over 35 years of heritage and industry knowledge.
- Expanded product range offering to cover most applications.
- Highest quality, stringently tested and built to meet or exceed OE specifications.
- Same price and quality you would expect from Motorgear.
- All catalogued and ready to order.

Extensive Warranty

Timing Belt Kits - 3 year warranty / 60,000km
