

PROTORQUE IS MOVING TO BW

The Protorque Engine Parts range will be transitioning to BW over the coming months. BW offers the same high quality products, extensive range and availability.

BW is Australia's leading supplier of automotive bearings and associated products and offers an unparalleled range of Timing Belt Kits as well as many more automotive products.

- BW is an established brand with over 35 years of heritage and industry knowledge.
- Expanded product range offering to cover most Australian vehicles.
- Highest quality, stringently tested and built to meet or exceed OE specifications.
- Same price and quality you would expect from Protorque Engine Parts range.
- All catalogued and ready to order via Oscar.

Extensive Warranty

Timing Belt - 3 year warranty / 60,000km
