

# PROTRAIN IS MOVING TO BW

The Protrain range will be transitioning to BW over the coming months. BW offers the same high quality products, extensive range and availability.

**BW is Australia's leading supplier of automotive bearings and associated products offering an unparalleled range of Wheel Bearing Kits, Hubs, Driveshafts, CV Joints, Boots, and many more automotive products.**

- BW is an established brand with over 35 years of heritage and industry knowledge.
- Expanded product range offering to cover most Australian vehicles.
- Highest quality, stringently tested and built to meet or exceed OE specifications.
- Same price and quality you would expect from Protrain.
- All catalogued and ready to order via Oscar.
